Leah Lozier	HUD Resource Locator	<a href="https://resources.hud.gov/">https://resources.hud.gov/</a>	This can be used by the public to locate HUD offices, PHAs, affordable housing, and resources on homelessness.
Leah Lozier	HUD Exchange	<a href="https://www.hudexchange.info/">https://www.hudexchange.info/</a>	This website provides a lot of great, practical information, across housing programs aimed at HUD's community partners.
Leah Lozier	Housing and Services Resources Center	<a href="https://acl.gov/HousingAndServices">https://acl.gov/HousingAndServices</a>	The Housing and Services Resource Center was created to serve people working in organizations and systems that provide housing, homelessness, health, independent living, and other supportive services that help people live successfully and stably in the community. This site offers information and tools for developing cross-sector partnerships, fostering community collaboration, and using innovative strategies.
Leah Lozier	The State of the Nation's Housing 2023 Joint Center for Housing Studies of Harvard University	<a href="https://www.harvard.edu/press-office/2023/04/12/state-of-the-nation-housing-2023">THE STATE OF THE NATION'S HOUSING 2023 (harvard.edu)</a>	Millions of households are now priced out of homeownership, grappling with housing cost burdens, or lacking shelter altogether, including a disproportionate share of people of color, increasing the need for policies to address the national housing shortfall at the root of the affordability crisis. Likewise, there is growing urgency for public and private investment to address longstanding disinvestment in underserved communities of color, adapt the housing stock to increasing risks of climate change, and expand options for older adults to age safely in their communities
Leah Lozier	The 2023 Annual Homelessness Assessment Report (AHAR) to Congress	<a href="https://www.huduser.gov/portal/pubs/ahar/ahar2023part1.html">The 2023 Annual Homelessness Assessment Report (AHAR to Congress) Part 1: Point-In-Time Estimates of Homelessness, December 2023 (huduser.gov)</a>	The US Department of Housing and Urban Development (HUD) releases the Annual Homelessness Assessment Report to Congress (AHAR) in two parts. Part 1 provides Point-in-Time (PIT) estimates, offering a snapshot of experiences of homelessness—both sheltered and unsheltered—on a single night. The PIT counts also provide an estimate of the number of people experiencing homelessness within particular populations such as veterans and individuals

			experiencing chronic patterns of homelessness.
<b>Leah Lozier</b>	2023 AHAR: Part 1 - PIT Estimates of Homelessness in the U.S.	<a href="https://www.huduser.gov/portal/datasets/ahar/2023-ahar-part-1-pit-estimates-of-homelessness-in-the-us.html">https://www.huduser.gov/portal/datasets/ahar/2023-ahar-part-1-pit-estimates-of-homelessness-in-the-us.html</a>	This report outlines the key findings of the Point-In-Time (PIT) count and Housing Inventory Count (HIC) conducted in January 2023. Specifically, this report provides 2023 national, state, and CoC-level PIT and HIC estimates of homelessness, as well as estimates of chronically homeless persons, homeless veterans, and homeless children and youth.
<b>Leah Lozier</b>	Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program	<a href="https://mchb.hrsa.gov/programs-impact/programs/home-visiting/maternal-infant-early-childhood-home-visiting-miechv-program">https://mchb.hrsa.gov/programs-impact/programs/home-visiting/maternal-infant-early-childhood-home-visiting-miechv-program</a>	The Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program supports pregnant people and parents with young children who live in communities that face greater risks and barriers to achieving positive maternal and child health outcomes. Families choose to participate in home visiting programs, and partner with health, social service, and child development professionals to set and achieve goals that improve their health and well-being.
<b>Maya Hazarika Watts Melissa Marichal Zayas</b>	Blueprint for Changemakers	<a href="#">Blueprint for Changemakers   ChangeLab Solutions</a>	A Blueprint for Changemakers: Achieving Health Equity Through Law & Policy in 2019, presenting legal strategies and best practices to help policymakers and communities address five fundamental drivers of health inequity and leverage the efficacy of local policy solutions, incorporate health in all policies, and engage underserved communities in the policy process.
<b>Maya Hazarika Watts Melissa Marichal Zayas</b>	A Guide to Proactive Rental Inspections	<a href="#">A Guide to Proactive Rental Inspections   ChangeLab Solutions</a>	A Guide to Proactive Rental Inspections is intended for housing advocates and local government officials who seek to advance health and equity through policies that improve housing quality and affordability. This guide provides an overview of considerations in designing, implementing, and improving a PRI program, covering the following topics: <ul style="list-style-type: none"> <li>• Effective community engagement as a key to a successful PRI program</li> <li>• Benefits of PRI programs</li> <li>• Selection of properties for inspection</li> <li>• Program rollout</li> <li>• Property inspections</li> </ul>

			<ul style="list-style-type: none"> <li>• Equitable enforcement for PRI</li> <li>• Data management</li> </ul>
<b>Maya Hazarika</b> <b>Watts</b> <b>Melissa</b> <b>Marichal Zayas</b>	The Health & Housing Starter Kit	<a href="#">The Health &amp; Housing Starter Kit   ChangeLab Solutions</a>	<p>The Health &amp; Housing Starter Kit helps local institutions take their first steps toward creating bold and innovative health and housing initiatives. It includes case studies for 3 institutions that have been working on health and housing initiatives for over 10 years: the Bon Secours Hospital in Baltimore, Maryland, the Denver Public Housing Authority in Colorado, and the Alameda County Public Health Department in California.</p> <p>The starter kit also includes Building Blocks, which explore a range of strategies based on the work of our case study sites. The Building Blocks provide guidance on how to form partnerships with communities and other institutions, developing indicators to understand and evaluate your efforts, and crafting messages to build support.</p>
