

ChangeLab Solutions

Healthier communities for all through equitable laws & policies

Who We Are

ChangeLab Solutions is a nonpartisan, nonprofit organization that uses the tools of law and policy to advance health equity. We partner with communities across the nation to improve health and opportunity by changing harmful laws, policies, and systems. Our interdisciplinary team works with community organizations, governments, and local institutions to design and implement equitable and practical policy solutions to complex health challenges.

Our Work

We can help you advance your health and policy goals through:

Developing Legal & Policy Strategies

We drive equitable change through law & policy. For 20+ years, we've helped our partners craft policies that tackle health inequities and improve health outcomes. [Learn More](#)

Building Collaborative Partnerships

We believe collaboration across sectors is how systems change. Our partnerships have shaped policy change and strengthened policy skills of practitioners across the country. [Explore Partnerships](#)

Delivering Actionable Resources

We demystify law & policy through practical tools, providing evidence-based resources and trainings to help changemakers meet their policy goals and create meaningful change. [Browse Resources](#)

Our Services

We offer a range of services to support community-driven policy change:

Capacity Building & Training

We deliver workshops, webinars, practical resources, and communities of practice designed to strengthen your team's skills, foster collaboration, and deepen your impact. Our [trainings](#) are tailored to meet the evolving needs of your organization and the communities you serve.

Legal & Policy Research

We offer grounded, actionable insights to inform your policy decisions and strengthen your advocacy efforts. Our legal expertise helps communities and institutions advance equitable policy solutions with confidence.

Technical Assistance

We provide customized support to help you navigate complex policy challenges and implement effective, community-centered solutions. Our approach focuses on strategic policy development aligned with your community's unique context and goals.

Tools & Resources

We develop practical tools designed to make complex legal and policy ideas accessible and actionable. Many of [our resources](#) are free and ready to download. Combined with our capacity building and technical assistance services, we help communities implement policies that are both effective and equitable.

Learn more about our trainings: Build skills & connections

Our multidisciplinary team offers year-round trainings, both virtually and in-person. Designed for leaders in government, health care, and community organizations, these sessions help participants:

- Navigate the policy process with confidence
- Adopt and implement laws and policies effectively
- Advance health equity through evidence-based practices
